

An Introduction to O'Driscoll Furniture

refreshingly different

O'Driscoll Furniture are a dynamic Irish company, who have been making high-quality contemporary furniture for over fifteen years. We are contemporary furniture designers, manufacturing a wide range of furniture, lighting, and accessories for architects, interior designers, and corporate and domestic interiors.

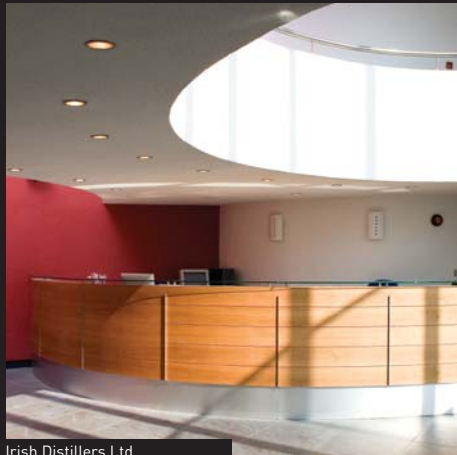

Our designs are simple yet distinctive, combining the best of natural and man-made materials – contemporary classics, made to a client's specifications and needs.

O'Driscoll **Furniture** create unique furniture for business interiors (boardrooms, reception areas, stylish desks, workstations) and private homes (kitchens, bedrooms, living, dining).

O'Driscoll **Contract** specialise in the design and fit-out for hotels, restaurants and office interiors. We work in partnership with our clients to create a unique design solution.
